

Peer Support Review Papers

I. A Sample of Review Articles Relevant to Peer Support since 2000.

Outcome effectiveness of community health workers: an integrative literature review. (Swider, 2002) [Link to Abstract](#).

Peer support within a health care context: a concept analysis. (Dennis, 2003) [Link to Abstract](#).

Use of community health workers in research with ethnic minority women. (Andrews et al, 2004) [Link to Abstract](#).

Peer support. An under-recognized resource in cardiac recovery. (Collela & King, 2004) [Link to Abstract](#).

Social support in diabetes: a systematic review of controlled intervention studies. (van Dam et al, 2005) [Link to Abstract](#).

A site-specific literature review of policy and environmental interventions that promote physical activity and nutrition for cardiovascular health: what works? (Mattson-Koffman et al, 2005) [Link to Abstract](#).

Lay health workers in primary and community health care. (Lewin et al, 2005) [Link to Abstract](#).

Peer support for cancer patients. (Tilkeridis et al, 2006) [Link to Abstract](#).

Systematic review of the literature on postpartum care: effectiveness of postpartum support to improve maternal parenting, mental health, quality of life, and physical health. (Shaw et al, 2006) [Link to Abstract](#).

Effectiveness of community health workers in the care of persons with diabetes. (Norris et al, 2006) [Link to Abstract](#).

One-to-one volunteer support programs for people with cancer: a review of the literature. (Macvean et al, 2007) [Link to Abstract](#).

Achieving child survival goals: potential contribution of community health workers. (Haines et al, 2007) [Link to Abstract](#).

Effectiveness of community health workers in the care of people with hypertension. (Brownstein et al, 2007) [Link to Abstract](#).

A systematic review of networked technologies supporting carers of people with dementia. (Powell et al, 2008) [Link to Abstract](#).

Systematic review of peer-support programs for people with cancer. (Hoey et al, 2008) [Link to Abstract](#).

Applying the community health worker model to diabetes management: using mixed methods to assess implementation and effectiveness. (Cherrington et al, 2008) [Link to Abstract](#).

Community health workers and environmental interventions for children with asthma: a systematic review. (Postma et al, 2009) [Link to Abstract](#).
